PENOBSCOT NATION
HOUSING DEPARTMENT
TEL: 207 / 817-7370

12 WABANAKI WAY
INDIAN ISLAND, MAINE 04468
FAX: 207/817-7384

What is a Work Order?:

The Housing Department utilizes a Work Order to track the status and progress of the work that is requested. Upon hearing about a problem or repair need a Work Order is established that lists the essential information, including: the address, person, and a description of the problem.

Tenant reporting of problems or issues is highly encouraged. Often times by addressing a problem early we can avoid major expenses later and reduce inconvenience to the tenant.

How to Initiate a Work Order:

A tenant may initiate a Work Order by contacting the Housing Department at 817-7370 and requesting a work order be developed. Tenants may also obtain a Work Order by going directly to the Housing Department Office at 1 Nohkomess Street, Indian Island.

Under no circumstances shall work orders be accepted from tenants on a casual or verbal basis. Your work order requests are important. The best way to get them recorded is by having them entered into our Work Order system, which requires contacting our office directly.

Emergency Work Orders:

An ***Emergency*** condition is one that threatens the life, safety, or health of the occupants or severely affects the dwelling unit / its immediate premises. All emergency work orders will be identified as such. Our goal is to respond within 12 hours or sooner.

During non-work hours (M-F, 8 to 4:30), Emergency Work Orders should be initiated by contacting the Police Dispatch at 817-7358.

The Police Dispatch will contact a housing employee to inform them about the problem. DO NOT call the Housing Department and leave a message for an emergency during non-work hours.

Summary of Key Tenant Responsibilities

1. The Tenant or their designee is encouraged to be present in order for Housing Department staff to enter the home and complete Work Order requests.
2. If the Tenant is not around and a mutually agreeable time to inspect and/or repair the problem can't be found the Tenant will be asked to grant permission to enter the home without them being present.
3. The Lease requires 24 hour notice to the tenant to enter a home for a repair or inspection. An emergency situation does not require notice.
4. Per the Lease Agreement with the Housing Department, the tenant must 'Permit MANAGEMENT reasonable access to the premises for the purpose of performing periodic inspections, for making improvements or repairs, to show the premises for re-leasing, and carrying out their normal course of duties.
5. Tenants must Promptly notify MANAGEMENT of need for any repairs to the leased premises.

Penobscot Nation Tribal Farm

Greetings Everyone!

Now that the 2024 planting, growing, and harvest season is ending I wanted to share with you, the Penobscot community, a brief update on our Tribal Farm. Many might say, "Tribal Farm?! I didn't even know we had one!" I hear that a lot! And in the coming year I'll be working extra hard to keep you in the loop of all the exciting happenings and to invite you in.

The Penobscot Nation Tribal Farm started coming to life in 2022 on tribal fee land located 5 miles away in Bradley. Management of the farm is through the Agriculture Program within the Department of Natural Resources. It is funded by grants from the Native American Agriculture Fund and other small grant funders. The Farm has field crops, a growing fruit tree orchard, strawberries, herbs, a high-tunnel hoophouse like the one at the community garden on the Island. This past season we supplied hundreds of pounds of farm grown veggies to the food pantry, to Senior Meals, and within the community with pop-up farm stands.

I appreciate all the helping hands that have contributed to the farm's growth. It truly takes a village! As we head into winter I wanted to share two upcoming opportunities in the new year to participate in happenings at the farm. More details to come:

Introductory Beekeeping Workshop/ What's All the Buzz? (Saturday March 1) We will host a day-long workshop for anyone interested in learning and becoming part of our "Bee Team." A partnership with the Penobscot County Beekeepers Association. This will be followed by an open hive event at the farm a few weeks later.

Mid-Winter Community Visioning Sessions (late February/early March) Be a co-creator of our Tribal Farm. Join a facilitated community conversation over a warm meal and tea.

We have a Facebook page in case you'd like to follow us: Penobscot Nation Farm I love spontaneous community conversations so don't hesitate to stop me to chat. Recently an elder gentleman stopped to tell me how delicious the green beans were that he got from the farm stand. This makes my day!

Wishing you and your family happiness and abundance this harvest season,

~ Maria Girouard, Agriculture Program Manager, maria.girouard@penobscotnation.org
